Our school is committed to fostering a supportive and engaging learning environment where every student can be developed, and their lives enriched through technology and the arts.

To ensure that our students and their families have a clear understanding of our policies, procedures, and expectations, we have prepared the Family Student Handbook. This handbook is a comprehensive resource that provides essential information about our school's operations, including; academic programs, attendance policies, code of conduct, extracurricular activities, health and safety guidelines, and much more.

We encourage all students and their families to carefully review the Family Student Handbook to become familiar with the important details that will help guide you through the school year.

We believe that a strong partnership between home and school is vital to the success of our students. By working together, we can create a positive and enriching educational experience for every student at Caat. I encourage you to become actively involved in the classroom and/or the Central Academy Parent Squad (CAPS). There are many opportunities throughout the year for your participation and help.

CENTRAL ACADEMY OF ARTS AND TECHNOLOGY ACADEMIC MODEL

Lesson Planning

CAAT instructors will team to prepare lessons using the Universal Design for Learning (UDL) approach. We use the Common Core State Standards and aligned curriculum as the foundation for all instruction. Teaching teams will prepare units during intersession weeks each quarter. This intensive week of planning and preparation allows teaching teams to plan, practice, and use data to group students. In addition to unit plans, teachers will work with small group instructors to update Individualized Learning Plans (ILP) for students and prepare small group instruction.

Educating the Whole Child

Instructors at CAAT will focus on identifying individual student strengths and create a plan for each child that propels them to grow academically, emotionally, and creatively. Personalizing learning plans will monitor each individual's progress in four key areas:

1. Core Academics - Mastery of the Common Core Standards in math, ELA, science, and social studies as measured by standards aligned curriculum
2. Social-Emotional Intelligence - Mastery of the CASEL core competencies measured by Panorama Ed. surveys
3. Creative Thinking - Mastery of Creative Thinking core competencies aligned to the State Standards
4. Technology Skills - Mastery of digital citizenship, technology concepts and operations, word processing, multimedia applications, communication and research as outlined in the State Standards.
5. Cognitive skills- Mastery of cognitive skills aligned to the State Standards as measured by the SCALE cognitive skills rubric.

Emphasis on Literacy

CAAT's program recognizes the importance of strong literacy skills as a foundation for academic success. All students in grades TK-8 begin their day with a literacy focused block. Literacy block groups vary in size and are not grouped by grade. Literacy block instruction focus on:

- Early literacy- print awareness, narrative skills, letter knowledge, and phonological awareness
- Vocabulary- word families, root words, word association, word nuances
- Listening and speaking- asking and answering questions
- Comprehension- summarizing, sequencing, inferencing, comparing and contrasting, drawing conclusions, self-questioning, problem-solving, relating background knowledge, distinguishing between fact and opinion, finding the main idea, important facts, and supporting details
- Research- the ability to search for, locate, extract, organize, evaluate and use or present information that is relevant to a particular topic
- Writing- grammatical skills, compositional skills, and domain specific writing

Personalization

A strong foundation in reading and math is essential to academic achievement. Personalization allows students to build foundational skills at their own pace and get the support they need in real time. Personalized learning is made possible through the use of a web based Learning Management System and small group instructors in the following ways:

- Individualized lessons that preview, review, and provide additional practice
- Frequent checks for understanding at milestone moments using digital assessments
- Small group instruction during every lesson cycle
- Peer and adult mentors to help set goals and develop work habits for success
- One on one coaching sessions with teachers and small group instructors
- “Genius Hour” for daily high dose tutoring and opportunities for extending learning

Integrated Subjects

At CAAT intellectual rigor and intense creativity are not mutually exclusive. Neither can one be put above the other. Providing students with continuity from TK through high school, our program will prepare students for the future by emphasizing teamwork, networking, adaptability, digital skills, and harnessing technology to produce creative solutions. While the core of all courses at CAAT are the Common Core State Standards, every course integrates technology and art to engage students in a rigorous college-prep education. In the real world, problems are not divided by subject matter. In addition to integrating technology and art, science and history are integrated with reading and writing and math is integrated in science whenever possible. This integration provides students with the opportunity to grapple with real world problems.

College Preparation and A Successful Future

The Central Academy of Arts and Technology aims to prepare all students to be completely prepared for college acceptance upon graduation from high school. CAAT will prepare students not only for the academic rigors of college but also empowers them with real life experiences to ensure they are successfully navigating the world beyond CAAT. School staff is not permitted to administer any medication at any time without a written authorization by a physician and parent. A student's parent/guardian is responsible for picking up any remaining medication at the end of the school year. If left in the school office after the last day of school, the medication will be destroyed.

Suicide Prevention

CAAT recognizes that suicide is a major cause of death among youth and should be taken seriously. To attempt to reduce suicidal behavior and its impact on students and families, CAAT has developed prevention strategies and intervention procedures, which are outlined in CAAT's Suicide Prevention Policy [Education Code § 215].

These students shall not be prevented from taking or retaking a course to meet California State University or the University of California admission eligibility requirements.

All requests for student records will be shared with the Foster and Mobile Youth Liaison, who shall be aware of the specific educational record keeping needs of Foster and Mobile Youth.

The Charter School shall not lower a foster youth’s grades as a result of the student’s absence due to a verified court appearance, related court ordered activity, or a change the placement of the student made by a county or placing agency. If a foster youth is absent from school due to a decision to change the placement of the student made by a county or placing agency, the grades and credits of the pupil will be calculated as of the date the student left the Charter School. In accordance with the Charter School’s Educational Records and Student Information Policy, under limited circumstances, the Charter School may disclose student records or personally identifiable information contained in those records to certain requesting parties including but not limited to a foster family agency and state and local authorities within a juvenile justice system, without parent/guardian consent.

Student Records, Including Records Challenges and Directory Information

The Family Educational Rights and Privacy Act (“FERPA”) affords parents and students who are 18 years of age or older (“eligible students”) certain rights with respect to the student’s education records. These rights are:

1. The right to inspect and review the student’s education records within 5 business days after the day the Charter School receives a request for access. Parents or eligible students should submit to the Charter School Executive Director or designee a written request that identifies the records they wish to inspect. The Charter School official will make arrangements for access and notify the parent or eligible student of the time and place where the records may be inspected.
2. The right to request the amendment of the student’s education records that the parent or eligible student believes are inaccurate, misleading, or otherwise in violation of the student’s privacy rights under FERPA.

Parents or eligible students who wish to ask the Charter School to amend a record should write the Charter School's Executive Director or designee, clearly identify the part of the record they want changed and specify why it should be changed. If the Charter School decides not to amend the record as requested by the parent or eligible student, the Charter School will notify the parent or eligible student of the decision and of their right to a hearing regarding the request for amendment.

Additional information regarding the hearing procedures will be provided to the parent or eligible student when notified of the right to a hearing. If the Charter School decides to amend the record as requested by the parent or eligible student, the Executive Director must order the correction or the removal and destruction of the information and inform the parent or eligible student of the amendment in writing.

3. The right to provide written consent before the Charter School discloses personally identifiable information ("PII") from the student's education records, except to the extent that FERPA authorizes disclosure without consent. One exception, which permits disclosure without consent, is disclosure to Charter School officials with legitimate educational interests. A Charter School official is a person employed by the Charter School as an administrator, supervisor, instructor, or support staff member (including health or medical staff and law enforcement unit personnel) or a person serving on the Charter School's Board of Directors. A Charter School official also may include a volunteer, consultant, vendor, or contractor outside of the Charter School who performs an institutional service or function for which the Charter School would otherwise use its own employees and who is under the direct control of the school with respect to the use and maintenance of PII from education records, such as an attorney, auditor, medical consultant, therapist, or contracted provider of digital educational platforms and/or services; a parent or student volunteering to serve on an official committee, such as a disciplinary or grievance committee; or a parent, student, or other volunteer assisting another Charter School official in performing their tasks.

A Charter School official has a legitimate educational interest if the official needs to review an education record in order to fulfill their professional responsibility. Upon request, the Charter School discloses education records without consent to officials of another school district in which a student seeks or intends to enroll, or is already enrolled, if the disclosure is for purposes of the student's enrollment or transfer. Note that Charter School will not release information to third parties for immigration-enforcement purposes, except as required by law or court order.

4. The right to file a complaint with the U.S. Department of Education concerning alleged failures by the Charter School to comply with the requirements of FERPA. The name and address of the Office that administers FERPA are:

Student Privacy Policy Office
U.S. Department of Education
400 Maryland Avenue, SW
Washington, DC 20202

The right to request that the Charter School not release student names, addresses and telephone listings to military recruiters or institutions of higher education without prior written parental consent. FERPA permits the disclosure of PII from a student's education records, without consent of the parent or eligible student, if the disclosure meets certain conditions found in §99.31 of the FERPA regulations.

Except for disclosures to Charter School officials, disclosures related to some judicial orders or lawfully issued subpoenas, disclosures of directory information, and disclosures to the parent or eligible student, §99.32 of the FERPA regulations requires the Charter School to record the disclosure. Parents and eligible students have a right to inspect and review the record of disclosures. A Charter School may disclose PII from the education records of a student without obtaining prior written consent of the parents or the eligible student to the following parties:

1. Charter School officials who have a legitimate educational interest as Parent/Student Handbook Page 60 of 143 defined by 34 C.F.R. Part 99;
2. Other schools to which a student seeks or intends to enroll so long as the disclosure is for purposes related to the student's enrollment or transfer. When a student transfers schools, the Charter School will mail the original or a copy of a student's cumulative file to the receiving district or private school within ten (10) school days following the date the request is received from the public school or private school where the student intends to enroll. The Charter School will make a reasonable attempt to notify the parent or eligible student of the request for records at the parent's or eligible student's last known address, unless the disclosure is initiated by the parent or eligible student. Additionally, the Charter School will give the parent or eligible student, upon request, a copy of the record that was disclosed and give the parent or eligible student, upon request, an opportunity for a hearing;
3. Certain government officials listed in 20 U.S.C. § 1232g(b)(1) in order to carry out lawful functions;

4. Appropriate parties in connection with a student's application for, or receipt of, financial aid if it is necessary to determine eligibility, amount of aid, conditions for aid or enforcing the terms and conditions of the aid;

Subject to the exceptions found in 34 C.F.R. § 99.31(a)(9)(i), reasonable effort must be made to notify the parent or eligible student of the order or subpoena in advance of compliance, so that the parent or eligible student may seek a protective order;
9. Persons who need to know in cases of health and safety emergencies;
10. State and local authorities, within a juvenile justice system, pursuant to specific State law;
11. A foster family agency with jurisdiction over a currently enrolled or former student, a short-term residential treatment program staff responsible for the education or case management of a student, and a caregiver (regardless of whether the caregiver has been appointed as the student's educational rights holder) who has direct responsibility for the care of the student, including a certified or licensed foster parent, an approved relative or non related extended family member, or a resource family, may access the current or most recent records of grades, transcripts, attendance, discipline, and online communication on platforms established by the Charter School for students and parents, and any individualized education program ("IEP") or Section 504 plan that may have been developed or maintained by the Charter School; and/or

Such accommodations may include, but are not limited to: additional time for use of facilities and class changes and home schooling during absences due to pregnancy related illness or recovery. Students should not be checked out from a school based on their pregnancy or parenting status.

Pursuant to AB 2289, a pregnant or parenting pupil is entitled to 8 weeks of parental leave and during this leave, or more if deemed medically necessary by the student's physician, which the student may take before the birth of the student's infant if there is a medical necessity and after childbirth during the school year in which the birth takes place, inclusive of any mandatory summer instruction, in order to protect the health of the student who gives or expects to give birth and the infant, and to allow the pregnant or parenting student to care for and bond with the infant.

Values Driven

Our goal at Central Academy of Arts and Technology is to create an environment where every student can thrive. As a highly effective school, we seek to establish a performance-based culture that is focused on a clear vision; a safe, orderly environment; a climate of high expectations for students and staff; frequent monitoring of student achievement; and strong relationships between home and school. The positive approach of setting school wide behavior expectations ensures that our students will be taught the behaviors we expect.

Our school-wide behavior expectations are based on our 4 Cardinal values: COURAGE, WISDOM, JUSTICE, and SELF-CONTROL. Developing and nurturing these traits are key to the achievement of our mission at Central Academy of Arts and Technology and to our students' success in college and beyond. All adults and students are expected to model positive behavior on a daily basis that reflects the Cardinal values.

School Wide Behavior Practices

School-wide means that educators support appropriate behavior in classroom and non-classroom areas. An important aspect of a school-wide teaching model is the understanding that appropriate behavior and social competences is a skill that requires direct teaching to students. Teachers will deliver lessons that focus on our 4 core values and students will learn and practice the expectations.

Any action that disturbs and interrupts the learning process is not permitted by any student. The appropriate behavior is encouraged and rewarded by public recognition and noted on our school wide-behavior dashboard. Staff, students, and parents have access to view the student behavior dashboard. A weekly report of student behavior is shared with parents.

When the student refuses to accept the authority of the teacher, the student should be immediately referred to an administrator for appropriate action. Families play a key role in supporting positive behavior. Administrators require cooperation and engagement from families when working to address repeated behavioral challenges which may include families attendance at meetings, classroom support, and home-to-school behavioral support plans.

School-Wide Behavior Management System

Central Academy of Arts and Technology has implemented a system to monitor both positive recognition and appropriate consequences. Through the use of a school wide economy system (Kickboard) students will earn \$50 Core Values (CV) Bucks every Monday in their student account. If a student is going above and beyond one or more Values dollars may be added in addition to their weekly allowance. If a student is going against the core values, CV Bucks will be deducted by any staff member.

Positive Recognition

Students will receive a Core Values (CV) paycheck that will have listed the deposits and deductions they received throughout the week. In addition, they will receive a paycheck with the CV bucks that they earned. Students will have the opportunity to spend their earnings at a student store. The student store will include school supplies, Central Academy of Arts and Technology Spirit Gear, College Gear, raffle tickets, coupons for special school privileges, and surprise prizes and activities. Teachers and grade levels may create specialized incentives for their students using CV bucks

The Use of Consequences

When students continue to violate the behavior expectations, despite use of our common behavior modification practices, teachers may choose to use consequences

for students' negative actions within the following parameters. The following *Levels of Consequences* will be followed to provide students with alternatives and support.

Code of Student Conduct: Levels of Consequences

Behavior Contracts

If a student reaches level 5 throughout the course of the school year, the student may become subject to a behavior contract. Behavior contract criteria are developed and shared with families by the Principal with teacher input. Each behavior contract case is individualized and based on the specific needs of each student’s situation.

Examples of behavior contracts may include:

- A shortened or lengthened school day
- Counseling for student
- Attendance goals

- Grade goals
- Individualized behavior expectations
- Removal from classroom setting to an in-house suspension
- Removal from certain times of the school day

Our ultimate goal is to serve all students. We will work with the family and outside partners to find the best solutions for our students.

Suspension and Expulsion Policy

Reasons for suspension and/or expulsion according to Education code 48900 are listed in the appendix.

After School Activities

Central Academy of Arts and Technology provides an After School Program available to all students. To participate in the program, a contract must be completed and submitted to the school office prior to the first day of school. If family circumstances change, and space is available, students will be admitted to the after school program throughout the school year. Activities include but are not limited to:

1. Extended Learning Opportunities
2. Arts & Music
3. Dance and Drama

After School Program Hours of Operation

The afterschool program will be open from 3:40 pm to 6:10 pm. Parents picking up their children must request them at the front office. Proper ID is required. Students are highly encouraged to stay all five days until 6:10.

Central Academy of Arts and Technology School Policies

*All school policies apply to all students regardless of age or gender identification.

Uniform Violation Policy

If students do not come to school in their uniform, their parent/guardian will be contacted and will be asked to bring a change of clothes for their child. The Central Academy of Arts and Technology has worked with uniform providers to make uniforms affordable for all families. We strive to find providers who can offer families the best value for their money when it comes to uniform purchases.

We suggest purchasing 5-6 uniform shirts and 3-4 uniform bottoms. At the end of each semester CAAT will host uniform exchange days, where families can “trade” uniforms. We highly encourage families to donate gently used uniform items throughout the year so that we can support distribution of uniforms to families with growing children and families with a financial need.

Official CAAT uniform pieces can be pre-ordered at the following places:

1. Polos can be pre-ordered at the CAAT office
2. Vicki Marsha purchase direct from their website
3. Khaki or black pants, shorts, and skirts can be purchased anywhere, as long as they are in accordance with our specific policy.

*Uniform scholarships are available to families in financial need on a case by case basis. Please see the Principal or Office Manager for details.

Free Dress Policy

Very rarely, certain days may be designated throughout the year as Free Dress Days or Spirit Days (usually linked to an accomplishment). The school uniform does not have to be worn, but the clothing must meet these guidelines:

To continue learning, students are required to make up any and all work missed during their absence. Families are responsible for contacting teachers for makeup work missed during any absence, regardless of the reason.

When a student is absent or tardy they must submit a note to the CAAT office within 24 hours. Parents may call the main office to clear absences and tardies.

Absences Policy

Excused Absences

The school office should be informed promptly if your child has a communicable disease so that we can notify other parents, if necessary.

Excused Absences A student not present in class for any reason is considered absent. Students must be excused from compulsory attendance if they are to miss school; a student will be excused for an absence if (1) the reason for the absence is listed below and (2) the absence is communicated to the school within 5 days of the absence: [Education Code §§ 48205(a), 48205(c)]

1. Due to the pupil's illness, including an absence for the benefit of the pupil's mental or behavioral health. [Ed. Code 48205]

2. Due to quarantine under the direction of a county or city health officer.
3. For the purpose of having medical, dental, optometric, or chiropractic services rendered.
4. For the purpose of attending the funeral services of a member of the pupil's immediate family, so long as the absence is not more than one day if the service is conducted in California and not more than three days if the service is conducted outside California.
5. For the purpose of jury duty in the manner provided for by law.
6. Due to the illness or medical appointment during school hours of a child of whom the pupil is the custodial parent.
7. For justifiable personal reasons, including, but not limited to, an appearance in court, attendance at a funeral service, observance of a holiday or ceremony of the pupil's religion, attendance at religious retreats (for purposes of this section, attendance at religious retreats shall not exceed four hours per semester), attendance at an employment conference, or attendance at an educational conference on the legislative or judicial process offered by a nonprofit organization when the student's absence has been requested in writing by the parent or guardian and approved by the principal or a designee.

9. For the purpose of spending time with a member of the pupil's immediate family, who is an active duty member of the uniformed services, as defined in Section 49701, and has been called to duty for, is on leave from, or has immediately returned from, deployment to a combat zone or combat support position. Keeping Your Child Home When They are Sick

Please help keep our entire community healthy by keeping your child home if your child:

2. Has vomited in the last 24 hours
3. Has red, crusty, or irritated eyes
4. Has any sign of head lice
5. Has a severe cough

Absences

There will be a limit to the number of absences allowed. Student absences will be analyzed every quarter. If a student has more than three absences in any quarter without an official notice from a doctor, the student and a parent/guardian will be required to attend a truancy meeting on an assigned Saturday. If the parents do not attend the truancy meeting, the parent/guardian, and student, will be reported to the Board of Directors and a School Attendance Review (SAR) hearing will take place.

In addition, a student may be retained in their grade level or returned to their resident district school if they accrue up to 20 absences that are unexcused by a doctor.

Tardy Policy

School begins at 8:00 a.m. each day. All students are expected to arrive at school on time. A student must report to the office if he or she is late for school.

Tardiness is only excused if a student has a medical, dental, legal appointment or there has been a death in the family. All excused tardies require appropriate documentation, such as a note from the doctor or note from a parent. If a student is 30 minutes late to school, they will have an unexcused absence. If a student has more than three 30-minute tardies in any quarter without an official notice from a doctor, the student and a parent/guardian will be required to attend a truancy meeting at the school on an assigned Saturday. If you do not attend the truancy meeting, you, the parent/guardian, and student, will be reported to the Board of Directors and a Student Attendance Review hearing. You can be assigned fines and community service.

In addition, a student may be retained in their grade level or dismissed from school if they accrue 20+ unexcused absences without an excuse from a doctor. Unexcused early pick-ups and late arrivals more than 30 minutes are considered truant.

Chronic Absenteeism

Any student who has been absent from school (excused or unexcused) for 10% or more of the total days of attendance for that school year may be required by the school principal to provide an official medical or judicial verification in order to excuse an absence. In lieu of medical verification a school principal may also allow a student to be brought to school for a school official to determine if a student is too ill to attend. [Education Code § 60901].

Students with such an excess of absences will be notified in writing of the official verification requirement. Any teacher may change the grade of a student who has accrued 10 unexcused absences per semester to a failing grade for their courses at the marking period (grade of “F” or “NC”) [Education Code § 49067].

Students with excessive absences may be referred to the school’s Truancy Abatement Program as a way to remediate the excessive absences. The abatement program may include weekly after school overtime.

Withdrawal due to Excessive Unverified Absences (AWOL)

Students not in attendance due to unexcused absences for at least ten (10) consecutive days with no prior notice or without a response to calls, certified letters, or the truancy process may be disenrolled from the school, in accordance with the School's involuntary removal procedures. CAAT shall create a process for communication with families who meet the above seat abandonment criteria.

Students disenrolled for the above reason may be placed on the waiting list and readmitted on a space available basis.

Truancy

A student is considered truant when the student is:

- absent from school without a valid excuse three school days in one school year,
- tardy or absent for more than any 30-minute period during the school day without a valid excuse on three occasions in one school year, or
- any combination thereof.

Any absence not cleared within 5 days will be marked as "unexcused. To avoid truancy, please always inform the office if your child's absence or tardy is for an excusable reason as defined above.

Notifications of Truancy

If your child is classified as truant under the California Education Code, you will receive notification from the school that includes information required by the state. The first notification will come to you once your child has accrued three truancy events. Please reach out to the school on this first notification, as it will allow the school to work with you in support of your child's attendance.

You will receive additional notifications after six and then again after seven total truancy events [Education Code §§ 48260, 48261, 48262]. First Notification of Truancy or Excessive Absences

- Letter #1 sent via email, regular mail, or delivered in person when a student has accrued three (3) truancy events.

- Students may be assigned, with or without parent consent, to the school's truancy abatement program, including, but not limited to, Weekend Makeup School. Second Notification of Truancy or Excessive Absences

- A student must be notified a second time once they have accrued at least six (6) truancy events.
- Students may be assigned, with or without parent consent, to the school's truancy abatement program.

Notification of Determination of Habitual Truancy and SART

Once your child has received a third notification of truancy after accruing a seventh truancy event, the California Education Code identifies your child as a habitual truant. At this point, the school is required to hold a School Attendance Review Team (SART) meeting with you. At that meeting an attendance contract, including supports, will be discussed and signed and your child will be assigned to the school's truancy abatement program [Education Code §§ 48260, 48261, 48262].

Notification of Determination as an Habitual Truant

- Letter #3 sent via email, regular mail, or delivered in person. In addition, a parent may be asked to sign the letter in person.
- A student must be notified a third time once they have accrued a seventh (7) truancy event. Student is identified as a Habitual Truant.
 - o SART meeting held with student, parent, teacher advisor, and Principal. If not already on file, an Attendance Contract must be signed at this meeting.
 - o Student will be assigned, with or without parent consent, to the school's truancy abatement program.
 - o If the parent and/or guardian fails to respond in 10 days or does not attend the scheduled conference, the matter may be referred to the CAAT Student.

Attendance Review Board (SARB)

The school's SART will consist of:

- The principal;
- The student's homeroom teacher and

- Other relevant members, such as another CAAT administrator, other teachers or staff as appropriate, counselor, etc.

Notification of Continued Truancy and Referral to CAAT SARB Once a student reaches an 8th truancy event, you will receive notification that the student has been referred to the CAAT Student Attendance Review Board process, which is a final attempt to help resolve truancy issues before more stringent consequences are considered, including, but not limited to: referral to the District Attorney [Education Code §§ 48260, 48261, 48262].

Notification of Continued Truancy—Referral to CAAT SARB

Letter #4 sent regular and registered delivery confirmation mail from the Regional Office. In addition, a parent may be asked to sign the letter in person.

- A student must be notified a fourth time once they have reached an eighth (8) truancy event.
- Principal refers student to CAAT SARB with required attachments.
- Students will be assigned, with or without parent consent, to the school's truancy abatement program, including, but not limited to, Weekend Makeup School.
- If the parent fails to respond within 10 days or attend the scheduled conference, the matter may be referred to the District Attorney's office and other appropriate actions.

The CAAT SARB will consist of:

- The school principal or their administrative designee;
- A teacher from the school in which the student is enrolled;
- The Executive Director's designee
- Other relevant members, such as local school district representative, District Attorney representative, special education representative, counselor, local police official, etc

Students Who Are Not in Attendance at the Beginning of the School Year

When a student is not in attendance on the first five (5) days of the school year, the Charter School will attempt to reach the student's parent/guardian on a daily basis for each of the first five (5) days to determine whether the student has an excused absence, consistent with the process outlined in this policy.

If the student has a basis for an excused absence, the student's parent/guardian must notify the Charter School of the absence and provide documentation consistent with this policy. However, consistent with process below, students who are not in attendance by the sixth (6th) day of the school year due to an unexcused absence will be disenrolled from the Charter School roster after following the Involuntary Removal Process described below, as it will be assumed that the student has chosen another school option.

1. Students who are not in attendance on the first (1st) day of the school year will be contacted by phone to ensure their intent to enroll in the Charter School.
2. Students who have indicated their intent to enroll but have not attended by the third (3rd) day of the school year and do not have an excused absence will receive a letter indicating the student's risk of disenrollment.
3. Students who have indicated their intent to enroll but have not attended by the fifth (5th) day of the school year and do not have an excused absence will receive a phone call reiterating the content of the letter.
4. Students who are not in attendance by the sixth (6th) day of the school year and do not have an excused absence will receive an Involuntary Removal Notice and the CDE Enrollment Complaint Notice and Form. The Charter School will follow the Involuntary Removal Process described below, which includes an additional five (5) schooldays for the parent/guardian to respond to the Charter School and request a hearing before disenrollment.
5. The Involuntary Removal Process can be started immediately upon the Charter School receiving documentation of the student's enrollment and attendance at another public or private school (i.e., a CALPADS report).
6. The Charter School will use the contact information provided by the parent/guardian in the registration packet.
7. Within thirty (30) calendar days of disenrollment, the Charter School will send the student's last known school district of residence a letter notifying it of the student's failure to attend the Charter School.

SCHOOL SAFETY

Parking Lot / Driveway Safety

Central Academy of Arts and Technology shares the responsibility of keeping the school zone safe for students with the Bakersfield Police Department. That includes the streets around the school and sidewalks. Parents are asked to follow traffic safety and speed limits as set by the police department. Student safety is our priority. We encourage parents to arrive early in order to avoid rushing. See the CAAT Drop-off/Pick Up Map in the appendix.

CAAT DROP-OFF and PICK-UP PROCEDURES

Students may be dropped off at school beginning at 7:00 a.m. Parents coming onto campus are required to sign in at the office. Students are to report to the designated waiting areas. Students will not be allowed to enter classrooms unless requested or allowed by the teacher.

A drop off route has been established for families who wish to utilize it. Families may enter the alleyway behind the school from F Street and ext to the right on H street. An adult will help escort your child into the school from the drop off area.

Pick-Up in the Afternoon

Students may be picked up at 3:30 p.m. Please be sure to inform the office whether your child is walking home or being picked up on a daily basis. If they are attending the After School program, they must be picked up by 6:15 PM. Only those designated on the emergency contact form may pick up a student from school. If someone new is picking your child up from school, please call the main office to inform them of the change.

Pick-up procedures are discussed annually at Mutual Promise Night and vary by grade level.

Visitor Policy

Parents visiting Central Academy of Arts and Technology during the school day are required to sign-in at the CAAT office. We welcome parents to visit classrooms for the purpose of volunteering or observation. Parents are asked to notify the classroom teacher 24 hours in advance of a visit to the classroom if they intend to stay for an extended period of time. Parents may be asked to reschedule a classroom observation if the students are taking exams or the presence of the parent is causing a disruption. Out of respect for teacher/student classroom time, please schedule teacher meetings outside of classroom hours.

Visitors who wish to come to campus for more than one visit will be asked to complete a background check and attend a volunteer orientation.

Restroom Policy

1. Students should use the restroom either before school, during breaks, lunch or afterschool. Permission must be obtained from a teacher for emergency bathroom needs during instructional time or supervised passing periods.
2. Loitering is not permitted in bathrooms.
3. Leaving class without permission for bathroom use is considered truancy.

Student Search Policy

Any Central Academy of Arts and Technology student may be subject to a search based on a reasonable suspicion that he or she has a forbidden item in their backpack or locker, or that the student has committed, or is about to commit a crime. Only the administration may conduct a search, or security staff under the supervision of an administrator.

School Related Event Policy

All regular school rules apply during off campus and after school hours events that are school related. Such events are off-campus school field trips and fundraising nights, etc.

Computer/Internet Access Policy

Refer to the Technology Acceptable Use Policy and Student Internet Permission Agreement in the appendix.

School Zone Policy

The School Zone extends to approximately two blocks outside the school curb. School rules apply to any incident that may occur in this zone on the way to school and home. That includes, but is not limited to harassment, theft, and cheating.

Picking Up Students for Early Release

Students may be picked up for early release in the front office by adults that have been designated on the student's emergency card. All adults may be required to provide a valid form of identification.

Fog Delays

Because Central Academy of Arts and Technology does not utilize school buses, we do not have Fog Delays. Please use discretion in determining when it is safe to bring your child to campus on Foggy Days.

If the Kern County Superintendent's office (KCSOS) elects to close all schools in the county for any weather or disaster emergency, Central Academy of Arts and Technology will be closed.

PARENT CONCERNS AND DUE PROCESS

The request should be submitted to the Board President. The Board President reserves the right to decide if the issue is a reasonable future Board meeting topic. In cases when the issue is not an acceptable board topic, the decision will be relayed back to the parent.

Student Rights and Complaint Procedures Involuntary Removal Process

The written notice shall be in the native language of the student or the student’s parent or guardian or, if the student is a foster child or youth or a homeless child or youth, the student’s educational rights holder.

The Involuntary Removal Notice shall include the charges against the student and an explanation of the student’s basic rights including the right to request a hearing before the effective date of the action. The hearing shall be consistent with the Charter School’s expulsion procedures. If the student’s parent, guardian, or educational rights holder requests a hearing, the student shall remain enrolled and shall not be removed until the Charter School issues a final decision. As used herein, “involuntarily removed” includes disenrolled, dismissed, transferred, or terminated, but does not include suspensions or expulsions pursuant to the Charter School’s suspension and expulsion policy.

School Evacuation Procedures

The Emergency Response Plan is a preparatory measure. Statistics show schools are still among the safest places to be on a day-to-day basis due to the strong commitment of educators, parents, and communities to their children. Nevertheless, disasters do happen and, because of that, no community can be complacent in its efforts to make its schools even safer. As a result, the following plan has been implemented.

Drills – To prepare all Central Academy of Arts and Technology students to act on a moment's notice during an emergency, we will be conducting emergency practice drills at the school.

These drills, which will occur on a periodic basis throughout the year and will cover a variety of circumstances. In addition to practicing the drills, we will discuss with the students the appropriate actions to take during a variety of emergencies. These drills and accompanying discussions are designed to prepare your child to act quickly and to minimize your child's fear, should an emergency occur.

Parent-Hand Off -The Emergency Response Plan also incorporates a systematic approach to reunite children with their parents. The map identifies three sites for the Parent-Hand Off. The first site is located at 1701 18th street, the second site 1723 18th street, and the third is located at 1705 17th Street. These locations are activated only when the school premises must be evacuated. However, in some cases it may be necessary to use an alternate location. Due to the unpredictable nature of any emergency, we will only be able to tell you where the Parent-Hand Off is located at the time of the emergency.

Reuniting With Your Child -In order to ensure your child's safety, it is necessary for us to establish procedures regarding student pickup. Therefore please be advised of the following guidelines when picking up your child from CAAT. Only individuals designated on the student's Emergency Information Card can pick up your student.

- **It is critical that the information and phone numbers on your child's Emergency Information Card are current.** We will use this information to contact you with the evacuation process and location for picking up your child.
- **You will be required to present valid identification.** This step is required to protect your child from any unauthorized individuals attempting to pick up your child.
- **You will be required to sign for the release of your child.** This is extremely important as it is our only means of ensuring that all students are accounted for at all times. Please do not take your child without signing for their release. We

recognize that you may be worried and want to be reunited with your child as quickly as possible. However, this system has been established to ensure your child's safety. You may be jeopardizing your child's safety by not adhering to these procedures.

- **Keeping Informed During an Emergency** -During a real emergency, you probably will not be able to reach the school by phone, as staff will be busy responding to the emergency and the needs of the students. We will contact parents through our School communication system (School Messenger). We asked that you try to refrain from calling the school during an actual emergency as school personnel will be attending to students and communicating with emergency services.

UNIFORM COMPLAINT POLICY AND PROCEDURES

Scope

The Central Academy of Arts and Technology (“CAAT” or “Charter School”) policy is to comply with applicable federal and state laws and regulations. The Charter School is the local agency primarily responsible for compliance with federal and state laws and regulations governing educational programs. Pursuant to this policy, persons responsible for conducting investigations shall be knowledgeable about the laws and programs which they are assigned to investigate. This complaint procedure is adopted to provide a uniform system of complaint processing for the following types of complaints:

- (1) Complaints of discrimination against any protected group, including actual or perceived discrimination, on the basis of age, sex, sexual orientation, gender, gender identity, gender expression, ethnic group identification, race, ancestry, national origin, religion, color, or mental or physical disability, or on the basis of a person’s association with a person or group with one or more of these actual or perceived characteristics in any Charter School program or activity
- (2) Complaints of violations of state or federal law and regulations governing the following programs including but not limited to: special education, Title II, Section 504 of the Rehabilitation Act, consolidated categorical aid, No Child Left Behind, migrant education, career technical and technical education training programs, child care and development programs, child nutrition program.
- (3) A complaint may also be filed alleging that a pupil enrolled in a public school was required to pay a pupil fee for participation in an educational activity as those terms are defined below.
 - a. “Educational activity” means an activity offered by a school, school district, charter school or county office of education that constitutes an integral fundamental part of elementary and secondary education, including, but not limited to, curricular and extracurricular activities.
 - b. “Pupil fee” means a fee, deposit or other charge imposed on pupils, or a pupil’s parents or guardians, in violation of Section 49011 and Section 5 of Article IX of the California Constitution, which require educational activities to be provided free of charge to all pupils without regard to their families’ ability or willingness to pay fees or request special waivers, as provided for in *Hertzell v. Connell* (1984) 35 Cal.3d 899. A pupil fee includes, but is not limited to, all of the following:

- i. A fee charged to a pupil as a condition for registering for school or classes, or as a condition for participation in a class or an extracurricular activity, regardless of whether the class or activity is elective or compulsory, or is for credit.
 - ii. A security deposit, or other payment, that a pupil is required to make to obtain a lock, locker, book, class apparatus, musical instrument, uniform or other materials or equipment.
 - iii. A purchase that a pupil is required to make to obtain materials, supplies, equipment or uniforms associated with an educational activity.

- c. Nothing in this section shall be interpreted to prohibit solicitation of voluntary donations of funds or property, voluntary participation in fundraising activities, or school districts, school, and other entities from providing pupils prizes or other recognition for voluntarily participating in fundraising activities.

The Charter School acknowledges and respects every individual's rights to privacy. Discrimination complaints shall be investigated in a manner that protects [to the greatest extent reasonably possible] the confidentiality of the parties and the integrity of the process. The Charter School cannot guarantee anonymity of the complainant. This includes keeping the identity of the complainant confidential. However, the Charter School will attempt to do so as appropriate. The Charter School may find it necessary to disclose information regarding the complaint/complainant to the extent necessary to carry out the investigation or proceedings, as determined by the Principal or designee on a case-by-case basis.

The Charter School prohibits any form of retaliation against any complainant in the complaint process, including but not limited to a complainant's filing of a complaint or the reporting of instances of discrimination. Such participation shall not in any way affect the status, grades or work assignments of the complainant.

Compliance Officers

The CAAT Directors designates the following Compliance Officer to receive and investigate complaints and to ensure the Charter School's compliance with law:

Frank Pasillas, Principal
Central Academy of Arts and Technology

1701 18th Street
Bakersfield, CA 93301

In the event it is alleged that the Executive Director took discriminatory action, the CAAT of Directors will either hire an outside, independent investigator to conduct the investigation or identify one or more members to serve as an investigator.

The Principal or designee shall ensure that employees designated to investigate complaints are knowledgeable about the laws and programs for which they are responsible. Designated employees may have access to legal counsel as determined by the Principal or designee.

Notifications

The Principal or designee shall annually provide written notification of the Charter School's uniform complaint procedures to students, employees, parents/guardians, the Governing Board, appropriate private officials or representatives, and other interested parties.

The Principal or designee shall make available copies of the Charter School's uniform complaint procedures free of charge.

The notice shall:

1. Identify the person(s), position(s), or unit(s) responsible for receiving complaints.
2. Advise the complainant of any civil law remedies that may be available to him/her under state or federal discrimination laws, if applicable.
3. Advise the complainant of the appeal process pursuant to Education Code Section 262.3, including the complainant's right to take the complaint directly to the California Department of Education ("CDE") or to pursue remedies before civil courts or other public agencies.
4. Include statements that:
 - a. The Charter School is primarily responsible for compliance with state and federal laws and regulations;
 - b. The complaint review shall be completed within sixty (60) calendar days from the date of receipt of the complaint unless the complainant agrees in writing to an extension of the timeline;
 - c. An unlawful discrimination complaint must be filed not later than six (6) months from the date the alleged discrimination occurs, or six (6) months from the date the complainant first obtains knowledge of the facts of the alleged discrimination;

- d. The complainant has a right to appeal the Charter School's decision to the CDE by filing a written appeal within fifteen (15) days of receiving the Charter School's decision; and
- e. The appeal to the CDE must include a copy of the complaint filed with the Charter School and a copy of the Charter School's decision.

Procedures

The following procedures shall be used to address all complaints which allege that the Charter School has violated federal or state laws or regulations governing educational programs. Compliance officers shall maintain a record of each complaint and subsequent related actions.

All parties involved in allegations shall be notified when a complaint is filed, when a complaint meeting or hearing is scheduled, and when a decision or ruling is made.

Step 1: Filing of Complaint

Any individual, public agency, or organization may file a written complaint of alleged noncompliance by the Charter School.

A complaint alleging unlawful discrimination shall be initiated no later than six (6) months from the date when the alleged discrimination occurred, or six (6) months from the date when the complainant first obtained knowledge of the facts of the alleged discrimination. A complaint may be filed by a person who alleges that he/she personally suffered unlawful discrimination or by a person who believes that an individual or any specific class of individuals has been subjected to unlawful discrimination.

The complaint shall be presented to the compliance officer who shall maintain a log of complaints received, providing each with a code number and date stamp.

If a complainant is unable to put a complaint in writing due to conditions such as a disability or illiteracy, Charter School staff shall assist him/her in the filing of the complaint.

Step 2: Mediation

Within three (3) days of receiving the complaint, the compliance officer may informally discuss with the complainant the possibility of using mediation. If the

complainant agrees to mediation, the compliance officer shall make arrangements for this process.

Before initiating the mediation of a discrimination complaint, the compliance officer shall ensure that all parties agree to make the mediator a party to related confidential information.

If the mediation process does not resolve the problem within the parameters of law, the compliance officer shall proceed with his/her investigation of the complaint.

The use of mediation shall not extend the Charter School's timelines for investigating and resolving the complaint unless the complainant agrees in writing to such an extension of time.

Step 3: Investigation of Complaint

The compliance officer is encouraged to hold an investigative meeting within five (5) days of receiving the complaint or an unsuccessful attempt to mediate the complaint. This meeting shall provide an opportunity for the complainant and/or his/her representative to repeat the complaint orally. The complainant and/or his/her representative shall have an opportunity to present the complaint and evidence or information leading to evidence to support the allegations in the complaint.

A complainant's refusal to provide the Charter School's investigator with documents or other evidence related to the allegations in the complaint, or his/her failure or refusal to cooperate in the investigation or his/her engagement in any other obstruction of the investigation, may result in the dismissal of the complaint because of a lack of evidence to support the allegation.

The Charter School's refusal to provide the investigator with access to records and/or other information related to the allegation in the complaint, or its failure or refusal to cooperate in the investigation or its engagement in any other obstruction of the investigation, may result in a finding, based on evidence collected, that a violation has occurred and may result in the imposition of a remedy in favor of the complainant.

Step 4: Response

Unless extended by written agreement with the complainant, the compliance officer shall prepare and send to the complainant a written report of the Charter School's investigation and decision, as described in Step #5 below, within sixty (60) days of the Charter School's receipt of the complaint.

Step 5: Final Written Decision

The Charter School's decision shall be in writing and sent to the complainant. The Charter School's decision shall be written in English and in the language of the complainant whenever feasible or as required by law.

The decision shall include:

1. The findings of fact based on evidence gathered.
2. The conclusion(s) of law.
3. Disposition of the complaint.
4. Rationale for such disposition.
5. Corrective actions, if any are warranted.
6. Notice of the complainant's right to appeal the Charter School's decision within fifteen (15) days to the CDE and procedures to be followed for initiating such an appeal.
7. For discrimination complaints arising under state law, notice that the complainant must wait until sixty (60) days have elapsed from the filing of an appeal with the CDE before pursuing civil law remedies.
8. For discrimination complaints arising under federal law such complaint may be made at any time to the U.S. Department of Education, Office for Civil Rights.

If an employee is disciplined as a result of the complaint, the decision shall simply state that effective action was taken and that the employee was informed of the Charter School's expectations. The report shall not give any further information as to the nature of the disciplinary action.

Appeals to the California Department of Education

If dissatisfied with the Charter School's decision, the complainant may appeal in writing to the CDE within fifteen (15) days of receiving the Charter School's decision. When appealing to the CDE, the complainant must specify the basis for the appeal of the decision and whether the facts are incorrect and/or the law has been misapplied. The appeal shall be accompanied by a copy of the locally filed complaint and a copy of the

Charter School's decision.

Upon notification by the CDE that the complainant has appealed the Charter School's decision, the Principal or designee shall forward the following documents to the CDE:

1. A copy of the original complaint.
2. A copy of the decision.
3. A summary of the nature and extent of the investigation conducted by the Charter School, if not covered by the decision.
4. A copy of the investigation file, including but not limited to all notes, interviews, and documents submitted by all parties and gathered by the investigator.
5. A report of any action taken to resolve the complaint.
6. A copy of the Charter School's complaint procedures.
7. Other relevant information requested by the CDE.

The CDE may directly intervene in the complaint without waiting for action by the Charter School when one of the conditions listed in Title 5, California Code of Regulations, Section 4650 exists, including cases in which the Charter School has not taken action within sixty (60) days of the date the complaint was filed with the Charter School.

Civil Law Remedies

A complainant may pursue available civil law remedies outside of the Charter School's complaint procedures.

Complainants may seek assistance from mediation centers or public/private interest attorneys. Civil law remedies that may be imposed by a court include, but are not limited to, injunctions and restraining orders. For discrimination complaints arising under state law, however, a complainant must wait until sixty (60) days have elapsed from the filing of an appeal with the CDE before pursuing civil law remedies. The moratorium does not apply to injunctive relief and is applicable only if the Charter School has appropriately, and in a timely manner, apprised the complainant of his/her right to file a complaint in accordance with 5 CCR 4622.

Additional information regarding the hearing procedures will be provided to the parent or eligible student when notified of the right to a hearing.
3. The right to provide written consent before the Central Academy of Arts and Technology discloses personally identifiable information (PII) from the student's

NOTICE FOR DIRECTORY INFORMATION

FERPA requires that Central Academy of Arts and Technology, with certain exceptions, obtain your written consent prior to the disclosure of personally identifiable information from your child’s education records. However, Central Academy of Arts and Technology may disclose appropriately designated “directory information” without written consent, unless you have advised Central Academy of Arts and Technology to the contrary in accordance with the Charter Schools procedures. The primary purpose of directory information is to allow Central Academy of Arts and Technology to include this type of information from your child's education records in certain school publications. Examples include:

- A playbill, showing your student's role in a drama production;
- The annual yearbook;
- Honor roll or other recognition lists;
- Graduation programs; and
- Sports activity sheets, such as for dance, showing specialities such as tap, ballet, or jazz.

Directory information, which is information that is generally not considered harmful or an invasion of privacy if released, can also be disclosed to outside organizations without a parent’s prior written consent. Outside organizations include, but are not limited to, companies that publish yearbooks. Social Media

The school recognizes that social media can be used for instruction to connect students with the global community; however, the Terms of Service (TOS) of many social media tools eliminate the majority of CAAT's population from using these tools. Should teachers choose to use legally acceptable social media tools, a certified teacher will supervise students. When social media is used, normal school rules of etiquette and conduct spelled out in the student handbook apply, including rules regarding bullying and harassment. The school reserves the right to limit or block student use of such sites at the discretion of the administration. Additionally, we encourage all parent/guardians to be fully aware of their student's use of social media and to monitor what is acceptable for them to make use of while outside of school.

Consequences for Violations

Students who violate the Acceptable Use Policy may lose their account privileges at the discretion of the administration. The administration will determine the length of time for which privileges are lost on an individual basis. Further disciplinary action including, but not limited to, detentions, suspensions, expulsions and police notification will be issued by the administration as deemed necessary.

No Warranties

The school makes no warranties of any kind, whether expressed or implied, regarding the use of computers, CAAT's network, the Internet, or the accuracy, correctness, completeness, or reliability of any information, files, or software. The school will not be responsible for any damages for any of the foregoing, including loss of data, non-deliveries, missed-deliveries, or service interruptions, whether caused by its negligence, user errors or omissions, or other defects. Use of any information obtained via the Internet is at the user's own risk. The school specifically denies any responsibility

for the accuracy or quality of information obtained through use of CAAT's network or the Internet.

Indemnification

The parent or guardian, by signing below, in consideration of Central Academy of Arts and Technology providing his/her student with network and Internet access, agrees to indemnify Central Academy of Arts and Technology for any losses, costs, or damages (including reasonable attorney fees) incurred by Central Academy of Arts and Technology relating to, or arising out of, any breach of these or other Central Academy of Arts and Technology rules by the student in using computers, the network, and the Internet.
